- Because we are continuing to operate with smaller class sizes to accommodate social distancing, with the exception of students in Creative Movement, Pre-Level, and Junior Level 1, any student participating in a cluster (ie. Junior Level II, Pre-Teens, Teens) must take a minimum of 3 classes. Junior Level 1 students must take a minimum of 2 classes. However, we do encourage you to take all of the classes offered for your cluster to help us manage the flow of people in and out of the building. Please note that if your child is not taking all classes offered by the cluster, the classes they do sign up for should be back-to-back (no break in between).
- **Tuition will be due the 1st Saturday of every month** (except partial tuition at the time of registration). Late tuition payments will incur a \$15.00 charge. No refunds for absences, missed classes or costumes. **We will be using Paypal as our on-line payment method for tuition as well. If you do not already have a personal paypal account, you will need to create one.**

- Attendance is very important for the development of students. Classes missed due to vacation, illness, etc. cannot be made up nor will there be any refunds or deductions due to missed classes
- Classes cancelled due to weather or other unforeseen emergency on the part of Innervisions will be made up at the Instructor's Discretion
- If NYC schools close due to bad weather, InnerVisions will not hold classes
- Students should arrive to class on time. If a student is more than 10 minutes late, they may not be permitted to take class
- Pick-Up & Drop-Off: It is the parent or guardian's responsibility to walk their child into the building. Students will not be allowed to leave with anyone other than those that are listed on the registration form unless arrangements have been made in advance. You should arrive at least 10 minutes before the end of class in order to pick up your dancer
- Students under age 10 will not be allowed to leave the building without someone coming inside to get them unless otherwise specified in writing
- Students must arrive with their dance attire on underneath their regular clothing
- Dancers are required to adhere to the dance class dress code as listed below. Hair must be in a ponytail or properly secured back for all classes. All items can be purchased at the studio store or from another venue as long as they are according to regulations. Students not in uniform will not be permitted to take class
- No food, gum, or drink is allowed in the dance studios or in the dressing rooms
